Standard wheel package.

Apply changes in printed order
before deciding delivered equipment.

SELECTED OPTIONS

ORDERED
CHANGES

XZ1 ADD HARD TOP

Selected roof conversion.

Replaces the Soft Top.

PK8 WINTER MAT SET

Accessory package.

SP3 WIND DEFLECTOR

Accessory package.

CONTINUATION

ROOF APPLICATION

RF1 SOFT TOP (DELETE)
Deleted by the selected XZ1 roof conversion.

This deletion removes the base-equipment Soft Top. It does not remove the replacement Hard Top.

OTHER DETAILS

DELIVERY ACCESSORIES

BK4 CARGO NET
Included with the winter mat set.

CR2 CHARGE CABLE
Included with roadside kit.

These accessories do not establish a roof condition.

DELIVERY WORKSHEET

READING ORDER

For equipment state, apply each rule in printed order:

1. top to bottom in the left column;
2. then top to bottom in the right;
3. then continue on the next page.

Do not treat a keyword match as final delivery configuration.

FINAL INSPECTION

HANDOFF CHECKLIST

Keys: 2

Manuals: 1

Floor mats: installed

Roof storage bag: omitted

The worksheet records application rules, not a one-line roof answer.
